Wie zit waar verstopt?

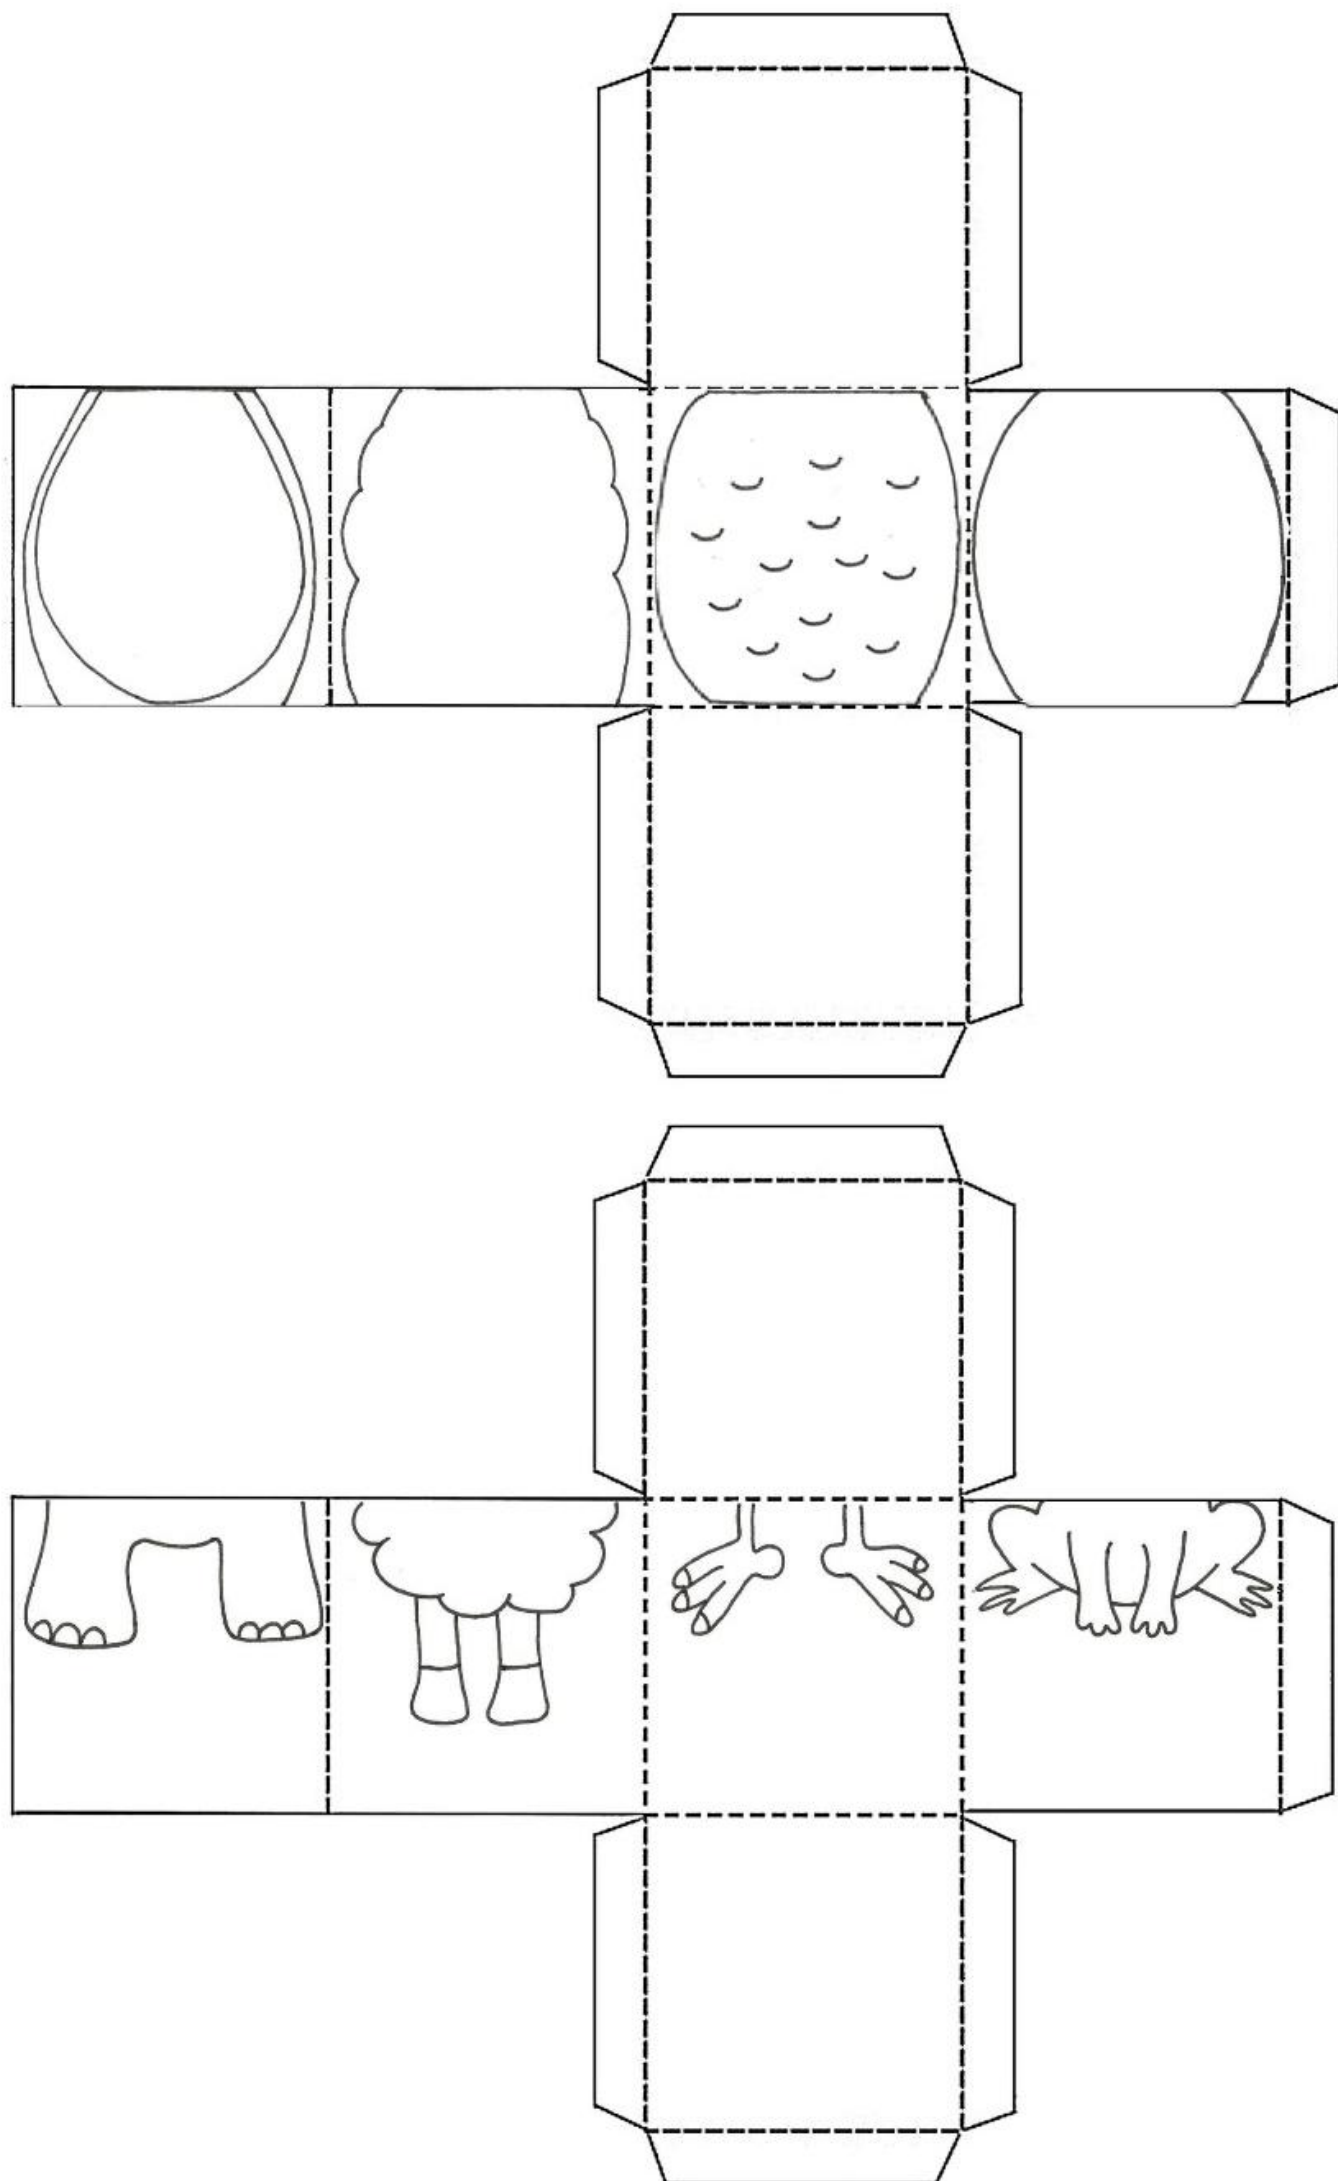

A circular photograph showing two women interacting with a large, colorful block tower. The woman on the left, wearing a teal tank top and yellow leggings, is leaning forward and placing a block. The woman on the right, wearing a red dress and blue leggings, is standing and looking on with an expressive face. The tower is built from large, soft blocks in shades of green, yellow, and blue. Atop the tower sits a large, plush sheep with a yellow face, pink ears, and a white woolly body. The scene is set against a dark background.
